

# I can give, too!

Sometimes adults forget that children have things to give, too. Children give in lots of ways:

- sharing food and toys
- giving time to help
- caring for friends and family
- keeping the earth clean

What are some of the ways that you have given to your family, friends, and the world around you? Write or draw them in the notebook.

This section is to help you tell God what you plan to give.  
When you have finished it, cut it out, and bring it to church on Sunday.

My Name is: \_\_\_\_\_

I'm  
going  
to  
give:

A large, empty rectangular box with a simple black border. It is positioned to the right of the text 'I'm going to give:' and is intended for the child to write or draw their response to the question.

In the box, write or draw about one way in which you will try to give (or help) your friends, your family, the church, or the world. You might want to talk with a friendly adult to help you think about what you can do

# The Money Side of the Page

Did you know that every week people get to give money to the church?

Giving money to the church is one of the ways that we say "Thanks" to God. Think about some of the things that you might want to "Thanks" to God for. You can even list some of them here, if you want:

Not everyone is able to give money, which is why we have lots of ways of saying "Thanks" to God. Some children, especially, don't have much money they can give. But some do.

Children can get money in different ways. Circle the ways in which you have gotten money:

Allowance

Found it

Birthday or Christmas Present

Earned it by doing chores

As a special gift from friends or relatives

Thanks,  
God!

This part of the page is to help you tell the church and God about what you want to give. Fill it out with a parent or other close adult friend who can help you decide what you can give.

- I almost never have money, but I know I can give in other ways, like on the other side of this page!
- I don't get money regularly, but when I do I will remember to give some away!
- I get money from an allowance or as pay for jobs I do regularly, and I would like to give some of my money to the church. I will try to give
  - 10 cents a week
  - 25 cents a week
  - 50 cents a week
  - one dollar a week
  - one dollar and fifty cents a week
  - two dollars a week
  - my own amount \_\_\_\_\_

I will put this money in the Sunday School or church offering plate.
