

THE JOURNEYS OF BLACK PEOPLES

in The United Church of Canada
2010 National Gathering

- **When:** June 24–27, 2010
- **Where:** Providence Renewal Centre,
Edmonton, Alberta
- **Theme:** The Journeys of Black Peoples:
All Together in One Place

The Journeys of Black Peoples is a movement to address the unique concerns of Black peoples in the United Church. The 2010 National Gathering will be inspired by the story of Pentecost (Acts 2). God's Spirit moved and created a different kind of church community: diversity in the togetherness. This is a time for worship, workshops, reflection, fellowship, and contributing to the church as a whole.
