1.03 - Conflict of Interest

Page 1 of 3

Purpose Statement

The United Church of Canada is a corporation. The Executive of the General Council serve as its board of directors. The Executive of the General Council also serves as an administrative decision-making body for the United Church. As they serve in both these roles, the members of the Executive of the General Council owe a duty of undivided loyalty to the United Church, as represented by the General Council. Members of the Executive of the General Council must not put themselves in a position where their own interests may conflict with their duty to act in the best interests of the United Church.

Policy

Governed by This Policy

1. This policy applies to the Executive and all committees, task groups and commissions accountable to it. Within this policy the Executive and all committees, task groups and commission are hereinafter referred to as a “Governance Body.”

Responsibilities

2. Members of the Executive must avoid situations where their duty to the United Church is in conflict with the duty they owe to another organization. That could happen where a member of the Executive serves another organization (e.g., theological school, church-affiliated corporation) as an employee, contractor or in an elected leadership role.
3. Members of a Governance Body must not participate in any decision by that Body which could result in direct or indirect benefit to them.
4. Members of a Governance Body must not give, in the performance of their duties for that Body, preferential treatment to relatives or friends or any other organization in which they have an interest.
5. Members of a Governance Body must not benefit from the use of information acquired during the course of their participation on that Body, if that information is not generally available to the wider church.
6. Members of a Governance Body must not use any property provided for the use of that Body for any kind for activities other than the work of the Body.
7. Members of a Governance Body must not accept or offer, or agree to accept from a person who has dealings with that Body, any reward, advantage or benefit or any kind, either directly or indirectly.
8. Members of a Governance Body must not place themselves in a position where they are under obligation to another person who might benefit from special consideration or favour, or who might seek preferential treatment by that Body.

Exceptions

9. There are exceptions to situations that might otherwise be considered a conflict of interest
 - (1) Monetary conflicts – A monetary conflict arises where the Executive is considering a decision that may have a monetary effect, either positive or negative, on a member of the Governance Body or a person close to the member (relative or friend). It is not a conflict of

- interest, if, in the opinion of the Governance Body, the member's monetary interest is substantially the same as the monetary interest of all other members of the Governance Body.
- (2) **Non-monetary conflicts** – A non-monetary conflict arises in any circumstance where a member of the Governance Body is constrained in any way from acting in the best interests of the United Church. That could occur where a member of the Governance Body or person close to the member stands to gain a benefit in some non-monetary way from a decision that the Governance Body is considering (e.g. appointment to a particular elected position). It is not a conflict of interest if, in the opinion of the Governance Body, the member's conflict is so remote that it is not likely to affect the member's decision.
 - (3) **Membership in a Governance Body through intentional representation from other organizations** – It is not a conflict of interest when a member who represents another organization on the Governance Body brings the perspective of the other organization to the decision-making of the Governance Body. That is a key purpose of having intentional representation from other organizations. . As such, it is not a conflict of interest for such a member to participate when the Governance Body is considering a decision that affects the other organization.
 - (4) **Waiver of conflicts** – In any situation where a member has an apparent conflict of interest, the Governance Body may waive the conflict of interest and allow the member to participate in the decision-making. The Governance Body must be satisfied that waiving the conflict will not negatively impact on the transparency and integrity of the Governance Body's decision-making.

Practice

10. ***Knowledge/awareness of conflicts*** – Members of a Governance Body must be constantly aware of the need to avoid situations that might result in a conflict of interest. Orientation and education of members is important.
11. ***Identifying conflicts*** – As a member participates in the work of the Governance Body, they must consider whether any particular item of business presents a conflict situation for them. If unsure, the member may seek advice in discerning whether a conflict exists.
12. ***Disclosing conflicts*** – A member informs the Governance Body of the conflict at the earliest opportunity once the member becomes aware of the conflict.
13. ***Refrain from all participation*** – The conflict of interest may involve a situation where the member stands to gain personally, or where the member's relatives or close friends stand to receive a benefit (either monetary or non-monetary). In such case, the member withdraws from any participation in the decision-making on any matters to which the conflict of interest relates. That includes leaving the room while the matter is under discussion, as well as abstaining from the actual vote.
14. ***Refrain from voting (but not discussion)*** – The conflict of interest may involve a situation where the member's duty to the Governance Body is in conflict with the duty the member owes to another body. In such case, the member may participate in the Governance Body's discussions on any matters to which the conflict of interest relates. The member must, however, abstain from the actual vote.
15. ***Responsibility of other members*** – If the member fails to notice, or to declare, a conflict of interest, any other member may raise the matter with the Governance Body. Once the issue has been raised by another member, the member with the potential conflict may acknowledge the conflict and withdraw from participation and/or voting.

16. *Decision by Governance Body* – If the member with the potential conflict disagrees that a conflict exists and/or does not withdraw from participation in the decision-making to the extent required, it is up to the Governance Body to determine the issue before proceeding with the item of business. If the Governance Body decides that a conflict exists, and makes no decision to waive it, the member is excluded from participation in the decision-making; The member may be is required to leave the room while the matter is under discussion and/or to abstain from voting. .
17. *Documenting* – The minutes of the meeting record all disclosures of conflicts of interest, all abstentions in voting based on a conflict of interest, and all decisions by the Governance Body with respect to conflicts of interest, including the determination of any exceptions that apply.

3.14 - Pension Board (Draft Policy)

Page 1 of 9

PENSION BOARD TERMS OF REFERENCE

A. GENERAL

The United Church of Canada (the “Church”) has established and maintains the Pension Plan of The United Church of Canada (the “Plan”), as Plan sponsor acting through the General Council. The Plan is a multi-employer pension plan maintained for the benefit of eligible employees of participating employers. The General Council Executive (the “GCE”) is the Plan Administrator pursuant to the *Pension Benefits Act* (Ontario), and has established the Pension Board (the “Board”) to support the GCE in governing, managing and operating the Plan and the assets of the Plan (the “Fund”) in accordance with the provisions set out below.

B. SCOPE OF RESPONSIBILITIES OF THE BOARD

To carry out its mandate to support the GCE in governing, managing and operating the Plan and the Fund, the Board has the responsibilities listed below.

1. *Plans Subject to the Authority of the Board*

The Board’s pension-related authority applies solely to the Plan and the Fund.

Commentary: The GCE is fully responsible for the governance, management and operation of any retirement plans other than the Plan (i.e., the registered pension plan). This includes supplementary plans (whether funded or unfunded) which are intended to provide benefits in excess of those provided by the Plan.

2. *The Board’s General Governance Responsibilities*

The Board’s general governance responsibilities are as follows:

- (a) to recommend to the GCE, for its approval, the pension governance system and any changes thereto;
- (b) to recommend to the GCE, for its approval, appointments to the Board as specialists, GCE reps and members at large, all as defined in Section E;
- (c) to recommend to the GCE, for its approval, governance policies necessary for the effective governance of the Plan and any changes thereto¹;
- (d) to initiate, periodically and at the Board’s discretion, an assessment of the performance of various elements and governance policies, and the effectiveness of these elements and policies in guiding the handling of functions by the Board and its committees; and
- (e) to review:
 - (i) compliance with all policies adopted by the Board and the GCE and compliance with legislation;
 - (ii) compliance with all applicable Codes of Conduct (e.g., Church, Plan, Fund and the Association for Investment Management Research (“AIMR”)); and
 - (iii) compliance with the Board’s terms of reference.

¹ Governance policies refer to four categories of policies; namely, member selection criteria (currently set out in Section F), orientation and ongoing education policies and guidelines (currently required in Section J), reporting policies (currently set out in Section K) and periodic performance review policies (currently set out in Section L).

Commentary: The GCE continues to be responsible for overseeing all aspects of the Plan and the Fund, as well as the activities of its delegates (i.e., the Board). Throughout these terms of reference, “oversee” or “oversight” means to supervise at a strategic level by establishing and following procedures to ensure the satisfactory performance of functions which have been delegated and to act, as necessary, on information provided.

The Board’s responsibilities with respect to the design of the Plan are as follows:

- (a) to recommend to the GCE, for its approval, plan design beliefs and principles and any changes thereto;
- (b) to recommend to the GCE, for its approval, the establishment of any new retirement arrangements or termination of the existing Plan;

- (d) to ensure that documents and reports relating to plan design and amendments thereto required by applicable legislation are filed with the regulators; and
- (e) to assess new ideas for plan design.

4. *The Board’s Funding Responsibilities*

- (d) to approve the economic, financial and demographic assumptions and the methods employed to calculate the value of the Plan’s assets and liabilities and any changes thereto;

- (f) to approve the Actuarial Valuation Reports and Cost Certificates;
- (g) to approve the taking of any contribution holiday; and
- (h) to ensure that documents and reports relating to funding required by applicable legislation are filed with the regulators.

5. *The Board’s Financial Controls Responsibilities*

The Board’s responsibilities with respect to the financial controls of the Plan are as follows:

- (a) to appoint the Plan’s custodian/trustee of the Fund and the Plan’s auditor and sign all related contracts;
- (b) to approve the audit plan for the financial statements of the Plan/Fund, as applicable;
- (c) to accept the audited financial statements for the Plan/Fund, as applicable;
- (d) to respond to the auditor’s recommendations; and

Where the Board has seen fit to delegate in accordance with this paragraph in order to meet its responsibilities, the Board will oversee the performance of such external or internal agents, advisors, committees and staff with pension responsibilities.

C. OBJECTIVES OF THE BOARD

1. To safeguard the assets of the Fund.
2. To support the Church's human resources objectives through the design and operation of the Plan.
3. To comply with plan design, funding and investment beliefs and principles and any other objectives that have been set by the GCE from time to time.

D. OPERATING GUIDELINES FOR THE BOARD

In the pursuit of its objectives, the Board will at all times:

1. comply with applicable legislation;

 4. The membership of a specialist or a member at large reaching the end of each of his or her first two consecutive terms will be automatically renewed for another term, unless such member advises the Chair of his or her intention to resign at the end of the term. The membership of the GCE reps and the MEPS rep can only be renewed upon formal re-appointment by the GCE.

H. BOARD MEMBER REMUNERATION

1. Board members are entitled to re-imbursement from the Fund of reasonable expenses incurred personally in the conduct of their duties, in accordance with the Board's expense chargeback policy.
2. Board members are not entitled to compensation, in addition to their normal compensation as employees, for the time spent on the conduct of their duties.
3. Board members may be paid an honorarium out of the Fund as determined by the GCE, the amount of which will be reasonable in relation to the duties and obligations of the Board members.

I. OPERATING/PROCESS POLICIES

1. The Board will meet at least four times a year and the Board will adopt meeting processes and procedures.
2. A meeting will be properly constituted only if at least five of the members are present in person or participating by means of a telephone or video conference hook-up or other comparable technology. No proxies will be permitted at any time.
3. No motion at a meeting will be adopted unless it receives an affirmative vote from a majority of the Board members participating in the meeting. Should a motion be proposed by circulating hard copies, use of e-mail, web thread or comparable technologies outside of a meeting, it will not be adopted unless it receives an affirmative vote from a majority of all Board members.
4. In the event the Chair cannot attend a particular meeting of the Board, the remaining members present will appoint a member to act as interim Chair for the purposes of that meeting.
5. Minutes will be prepared in draft form and provided to the Board for verification and approval at the following meeting. Church staff will be assigned to take minutes at the meeting and act as Secretary to the Board.
6. The Board will adopt a forward agenda to assist in preparing agendas for each of its meetings.
7. The Board, where necessary, will develop supplementary code of conduct policies and guidelines that will apply to its pension activities and the activities of its delegates.

8. The Board will adopt, from time to time, any additional operating/process policies it deems necessary for the efficient and effective discharge of its obligations under these Terms of Reference.

J. ORIENTATION AND ONGOING EDUCATION POLICIES AND GUIDELINES

The Board will develop, for the approval of the GCE, policies regarding orientation of Board members and ongoing education policies and guidelines for its members.

K. REPORTING POLICIES AND GUIDELINES

1. Reporting by the Board

Because the GCE retains the responsibility to oversee its delegates (the one responsibility that the Plan Administrator cannot delegate to others), it is necessary for it to receive information from the Board to enable the GCE to discharge those oversight responsibilities.

The Board will provide an annual report to the GCE, at each regular fall meeting of the GCE. The report will address:

- (a) recommendations regarding any changes to plan design beliefs and principles;
- (b) recommendations regarding any changes to funding beliefs and principles;
- (c) recommendations regarding any changes to investment beliefs and principles;
- (d) any changes in the Statement of Investment Policies and Procedures;
- (e) the investment performance of the Fund;
- (f) the previous year's audited financial statements for the Plan;
- (g) any changes in the Plan's auditor, actuary and external legal counsel;
- (h) any material administration activities, including a change from third-party to internal administration or vice versa;
- (i) administration services performance as measured against service standards;
- (j) information regarding the funded status of the Plan, including the actuarial valuation report or any updates since the last valuation and any material changes in funding assumptions;
- (k) any amendments to the Plan since the previous report;
- (l) compliance;
- (m) the results of any pension governance reviews referred to under Section B.2(d);
- (n) any other information that the GCE requests to be reported by the Board; and
- (o) any other information that the Board feels is appropriate.

The annual report will be in the form of an executive summary and will include a compliance certificate to be signed by the Chair of the Board on behalf of the Board members.

2. Reporting to the Board

Because the Board retains the responsibility to oversee its delegates, it is necessary for it to receive adequate and timely information from those to whom it has delegated the performance of pension-related functions to enable the Board to discharge those oversight responsibilities.

Consequently, the Board will establish its own reporting policies and guidelines, describing what information it needs from what parties, how often and in what format.

L. PERIODIC PERFORMANCE REVIEW

In addition to the annual reports received from the Board (as outlined under Section K), it is necessary for the GCE to periodically evaluate the performance of its delegates in order to discharge its responsibility to oversee its delegates. At least every five to seven years, the Plan's pension governance system, including the performance of the Board, will be reviewed.

M. COMMUNICATIONS POLICY

Given the importance of communication with Plan members and other stakeholders, the Board will adopt a communications policy.

1. This policy applies to the members of the Joint Grants Committee

Terms of Reference

Responsibilities

The primary responsibility of the committee is to ensure that the wishes of the donor expressed in the terms of the trust or endowment are fulfilled and that the funds that are allocated are used faithfully in service of God's mission through The United Church of Canada, its member bodies, related organizations and members.
3. In addition the committee will:
 - (1) oversee the use of the Trusts and Endowments in such a way as to ensure that, consistent with the terms of any given bequest, the available funds are expended within a reasonable time for God's mission.

The primary criteria that will determine availability of the allocation is the extent to which work is undertaken within the General Council unified budget consistent with the terms of the trust or endowment. The allocation will usually be equivalent to the earned interest income of the trust in the previous year and will represent the first draw on all relevant trusts and endowments.
 - (3) undertake a grant program that will allocate up to 10% of the unrestricted capital of the respective trust funds (after the unified fund draw is taken into account) yearly. The Joint Grants Committee is authorized to exceed this 10% guideline as it determines in grants that are \$25,000 or less.

 - (6) Grants will normally be available to congregations, courts of the church, United Church corporations, (including legacy corporations), affiliated institutions, and ministries that are Presbytery accountable or recognized.
4. The Joint Grants Committee may choose, in exceptional circumstances, to provide funding to organizations that are not institutionally recognized (as above) providing: that the terms of the trust or endowment invite this consideration, that the project will benefit the mission and ministry of The

United Church of Canada and that a letter of endorsement is received from an appropriate officer of the church such as the Secretary of a Presbytery or an Official Board or the Executive Director or comparable position of a United Church institution.

5. The Joint Grants Committee may also award grants to individuals providing: that the terms of the trust or endowment invite this consideration, that the project will benefit the mission and ministry of The United Church of Canada, and that a letter of endorsement is received from an appropriate officer of the church as named above,
6. The Joint Grants Committee will provide to the Executive of the General Council at its first meeting in a calendar year a statement of grants and allocations made from the Trusts and Endowments in the previous year.
7. The Committee will operate in such a way as to lift up before the whole church the potential of bequests, endowments and trusts as a means of supporting God’s mission through The United Church of Canada. The Committee will seek to ensure that whenever possible a report on the use of funds is given to family members of those making bequests or establishing trusts or endowments.
